DDAC postponed until 21, 22nd & 23rd September 2007

DDAC Committee have decided to postpone their July 2007 show to September 2007 (dates as above).

There will also be a **change of venue** in order to minimise the risk of further cancellation.

The **New Venue is:** Melton Mowbray Airfield (disused!!), Dalby Road (B6047), Nr Melton Mowbray, Leicestershire, LE13 0BL.

The best route, avoiding Melton Mowbray and major road works, is the A46/A607 (from the west & north & south (from the M1)).

Can I ask everyone to please retain their running orders, as classes remain the same, except for the KC Novice & Pedigree team Qualifiers, these will become non qualifiers, i.e. 3-5 Comb Agility and an Open Team. (No further entries can be accepted as this is not a re-scheduled show, and we are postponing to dates within a twelve-week time frame under the old licences.)

Due to daylight hours at this time of year, Friday judging will commence at 12.30pm; Saturday & Sunday judging will start at 8am.

The Adams Derby Final will be run Saturday lunchtime after the last qualifying heat in the morning. (This will mean that several classes from that ring will be moved into other rings, this will not affect the classes that are first in the rings, amended ring plans will be available on the day.)

STRICTLY NO CAMPING ON THURSDAY FOR NON-MEMBERS.

CAMPING WILL BE AVAILABLE FROM 8AM ON FRIDAY BUT PLEASE BE PATIENT IF YOU HAVE TO WAIT.

Please pass this information onto anyone who was entered into the show.
